ERRATUM

Released: March 3, 2005

By the Deputy Chief, Mobility Division, Wireless Telecommunications Bureau:

1. On February 22, 2005, the Commission released a Report and Order and Notice of Proposed Rulemaking, FCC 04-287, in the above-captioned proceeding. This erratum makes the following corrections:

2. On page 37, paragraph 76, in the second sentence, the phrase “within 24 months of the initial date of grant of license F;” is changed to read as “within 24 months of the initial date of grant of any new license;”

3. In addition, because there are no proposed, new, or modified PRA information collection requirements in the *Report and Order and Notice of Proposed Rulemaking*, the Paperwork Reduction Act (PRA) analysis contained in paragraphs 184-186 should be replaced with the following:

184. This document does not contain any proposed, new, or modified information collection subject to the Paperwork Reduction Act of 1995 (PRA), Public Law 104-13. In addition, therefore, it does not contain any new or modified “information collection burden for small business concerns with fewer than 25 employees,” pursuant to the Small Business Paperwork Relief Act of 2002, Public Law 107-198, *see* 44 U.S.C. 3506(c)(4).

Federal Communications Commission

4. Finally, paragraphs 187-190 of the text should be renumbered 185-188.
5. These corrections will be incorporated in the Report and Order and Notice of Proposed Rulemaking prior to publication in the Federal Register and FCC Record.
